This is a book of clues. clues to the awe and immensity of God that will lead children to think about, rather than learn about, God. Instead of teaching in the traditional sense, it provides clues for a shared journey toward discovering the Divine Mystery at the core of the universe. The recent trend in Christian education has been to emphasize knowledge, and to make church school more fun and entertaining. But in our zeal to pass on the basics of the faith, we have often neglected to guide children into truly experiencing the full wonder of the almighty. We have taught them about religion, but we have not always helped them to establish a deep and meaningful relationship with God. This book approaches the mission from a different perspective - one that identifies and reaffirms the spiritual experiences young people are already having. Each chapter suggest numerous ideas for use in classes, as well as a Time to Reflect section for adults to recall and meditate on their own spiritual life as children. *Teaching The Mystery Of God To Children* is an essential resource for any parent or church school teacher who is interested in the spiritual development of their children. Subjects discussed include: The Bible Art Symbols Music Sounds Movement Words Poetry Nature Sacred Space Koans and Miracles Death Judy Gattis Smith is the author of more than a dozen books, including *Teaching to Wonder*, *Planting Spiritual Seeds*, and *Developing a Child's Spiritual Growth through the Senses* (Abingdon). She has also written three books for grandmothers, and she is a regular contributor to *Episcopal Teacher* magazine. Smith has led more than 200 workshops...
