

A Man's World: The Double Life of Emile Griffith

Filesize: 7.04 MB

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, A Man's World: The Double Life of Emile Griffith, Donald McRae, 'I kill a man and most people forgive me. However, I love a man and many say this makes me an evil person.' On 24 March 1962, when Emile Griffith stepped into the ring in Madison Square Garden to defend his world title against Benny Paret, he was filled with rage. During their weigh-in, the Cuban challenger had denounced Griffith as a 'faggot' and minced towards him. In the macho world of boxing, where fighters know they are engaged in the hurt game, there could be no greater insult. At that time, it was illegal for people of the same gender to have sex, or even for a bar to knowingly serve a drink to a gay person. It was an insinuation that could have had dangerous consequences for Griffith - especially as it was true. In the fight that followed, Griffith pounded Paret into unconsciousness, and the Cuban would die soon after, leaving Griffith haunted by what he had done. Despite this, he went on to fight more world championship rounds than any other fighter in history in a career that lasted for almost 20 years. In Donald McRae's first sports book in more than a decade, he weaves a compelling tale of triumph over prejudice - Griffith was black, so doubly damned by contemporary society, but refused to cower away as society wished. A Man's World, longlisted for the William Hill Sports Book of the Year, is sure to become a classic piece of sports writing.
