Ibooks, United States, 2008. Paperback. Book Condition: New. 166 x 104 mm. Language: English . Brand New Book. Former Bullet Catcher and lone wolf investigator Jack Culver is on a mission. Thirty years ago, an innocent woman was convicted of murder. Jack believes he's found the real killer -- but to take down one of the highest legal authorities in the land, he needs access. Serious access. Unfortunately, the one person he knows with that kind of power is his ex-boss and ex-lover, the woman who still haunts his dreams. Bullet Catchers owner Lucy Sharpe realizes she's being used for her connections, and she intends to use Jack Culver right back. She's determined to see justice served, even if that means partnering with the man who once found his way past her iron shields. This time, she'll be strong enough to avoid Jack's persuasive touch. But when passion flares, and they become the killer's target, Lucy and Jack don't just break some rules -- they shatter them. And that means risking everything: their jobs, their hearts, and their lives.
