Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Battle of the Falkland Islands: Before and After This plain, unvarnished account, so far as is known, is the first attempt that has been made to link with the description of the Falkland Islands battle, fought on December 8th, 1914, the events leading up to that engagement. In order to preserve accuracy as far as possible, each phase presented has been read and approved by officers who participated. The personal views expressed on debatable subjects, such as strategy, are sure to give rise to criticism, but it must be remembered that at the time of writing the exact positions of the ships engaged in overseas operations were not fully known, even in the Service. The subject falls naturally into three divisions: Part I. deals briefly with the movements of British and German warships, and includes the duel fought by the Carmania, and the action that took place off Coronel. Part II. describes the Falkland Islands battle itself, and the subsequent fate of the German cruiser Dresden. Part III. contains the official dispatches bearing on these exploits. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
