Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Conquering Christ The greatest concern of the people of the world to-day is religion. For this they make the largest sacrifices and to this they give, the largest proportion of their time and thought. We comprehend in this statement every form of religion believed in and practised by the races of the world. The religions of the world constitute together the overmastering force directing and controlling men in their social, intellectual and national development. All races have been made what they are by the molding power of their beliefs. As never before in the history of mankind we, as a nation, are studying great international problems. The commercial world is investigating the developing Oriental trade, the diplomatic world the national emergence of the Asiatics, and the Christian world is inquiring diligently regarding the religious faiths and practices of the non-Christian races. The greatest and most timely subject for investigation and study is the subject of religion and the greatest conquests yet to be won on earth will be won in the realm of religion. This supreme conquest is now in process and constitutes in itself a new Acts of the Apostles covering the century and embracing the nations of the earth. As absolute proof of the resistless power of the Gospel of Jesus Christ, as an assurance that this Gospel comprises in itself the essentials of all religions, but more than this, that it adequately reveals the mind and heart of God as shown in the Christ revealed for a world redemption, for inspiring the world vision demanded by our times, for creating a world sympathy demanded by our new international contacts, and for...
