Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the ages that were somewhat shadowed, to say the least, when Nature indulged her own wild moods in man and the world he trampled on rather than cultivated, there was a class who in their dreams and futile efforts became the unconscious prophets of our own time-the Alchemists. For centuries they believed they could transmute base metals into gold and silver. Modern knowledge enables us to work changes more beneficial than the alchemist ever dreamed of; and it shall be my aim to make one of these secrets as open as the sunlight in the fields and gardens wherein the beautiful mutations occur. To turn iron into gold would be a prosaic, barren process that might result in trouble to all concerned, but to transform heavy black earth and insipid rain-water into edible rubies, with celestial perfume and ambrosial flavor, is indeed an art that appeals to the entire race, and enlists that imperious nether organ which has never lost its power over heart or brain. As long, therefore, as humanity's mouth waters at the thought of morsels more delicious even than sin under the tongue, I am sure of an audience when I discourse of strawberries and their kindred fruits. If apples led to the loss of Paradise, the reader will find described hereafter a list of fruits that will enable him to reconstruct a bit of Eden, even if the Fall and all our woe have left him possessed of merely a city yard. But land in the country, breezy hillsides, moist, sheltered valleys, sunny plains-what opportunities for the divinest form of alchemy are here afforded to hundreds of thousands! Many think of the...
