Excerpt: . . . teragency cooperation, and cooperation between the States and the Federal Government. I thank the chairman for holding the hearing on these bills, and I look forward to the testimony that were going to hear. All I can say is, I hope that we are able to get out the size of the problem. Clearly, it is a monstrous problem to sequester the carbon dioxide were talking about if we go that way. And looks like theres no other way of any significance yet. Thank you very much, Mr. Chairman. The Chairman. Well, thank you very much. Senator Tester was not able to be here, and asked that we include in the record a short statement that he wished to have included. The prepared statement of Senator Tester follows: Prepared Statement of Hon. Jon Tester, U. S. Senator From Montana Mr. Chairman, thank you for holding this important hearing today regarding carbon sequestration. Climate change is real, and I am committed to finding...
