Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Trailing Clouds of Glory Childhood is a stage in the process of that continual remanufacture of the Life Stuff by which the human race is perpetuated. The Life Force either will not or cannot achieve immortality except in very low organisms: indeed it is by no means ascertained that even the amoeba is immortal. Human beings visibly wear out, though they last longer than their friends the dogs. Turtles, parrots, and elephants are believed to be capable of outliving the memory of the oldest human inhabitant. But the fact that new ones are born conclusively proves that they are not immortal. Do away with death and you do away with the need for birth: in fact if you went on breeding, you would finally have to kill old people to make room for young ones. Now death is not necessarily a failure of energy on the part of the Life Force. People with no imagination try to make things which will last for ever, and even want to live for ever themselves. But the intelligently imaginative man knows very well that it is waste of labor to make a machine that will last ten years, because it will probably be superseded in half that time by an improved machine answering the same purpose. He also knows that if some devil were to convince us that our dream of personal immortality is no dream but a hard fact, such a shriek of despair would go up from the human race as no other conceivable horror could provoke. With all our perverse nonsense as to John Smith living for a thousand million eons and for ever after, we die voluntarily,...
