Gender Differences in Mathematics: An Integrative Psychological Approach

By David Brodie

Cambridge University Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 11.2in. x 8.3in. x 0.6in. Hodder Science Gold is a sister series to the highly successful KS3 Science series Hodder Science launched in 2000. The new series consists of three Pupils Books aimed at pupils working between National Curriculum Levels 2 and 45. The three books comprise the same ideas and concepts as the mainstream Hodder Science books, enabling the two series to be used side-by-side in mixed-ability classes. The Gold books have, however, been rewritten and redesigned so the text is at a lower reading level, the font is clearer and the design is more spacious. In addition, there are more frequent in-text questions to break up the text and key term boxes so that new vocabulary is explained on the page on which it first appears with simple, understandable definitions. As with the original Hodder Science series, the books exactly match QCAs exemplar Scheme of Work for Science, introduced in schools from September 2000. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

-- **Prof. Owen Sporer**

It is easy in study better to understand. Of course, it is actually play, nonetheless an amazing and interesting literature. I am quickly could possibly get a satisfaction of reading through a published ebook.
