

How to Make Money: Three Lectures on the Laws of Financial Success (Paperback)

By Benjamin Fish Austin, B F Austin

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Everything you need to know about prosperity, manifestation and the spiritual side of abundance is right here in this small volume. NOTE: This is a new edition of the class work, not a scanned reproduction with lots of weird characters. It does contain every word of the original, plus an Introduction and comments by Richard Stooker, author of Income Investing Secrets. It's a gold mine that authors from Napoleon Hill to The Secret have used to. They've expanded on the ideas, included more details and used other examples, but the essence is right here in the author's introduction and three lectures. It's all here: your right to material abundance, God (or any term you prefer to substitute) as your source of supply, molding your character, Auto-Suggestion, positive thinking, persistence in the face of problems, planning, self-confidence, the utmost importance of taking action, keeping your mind on your goals, desire for material wealth as God's way of motivating you to succeed, the importance of helping other people, putting your time to good use, keeping...
