Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.People think I m crazy. Maybe I am, since I ve been able to talk to spirits for as long as I can remember. They are the forgotten, the souls who have unfinished business and can t cross over. I help them, or at least I try to. There s this one in particular, Jack, I call him, who s been following me around a lot. Usually they tell me what they need to do and move on. Not him. It isn t until he brings another spirit, Tracy, the victim of an unsolved hit-and-run accident, that I know for sure he s something more than just your average spirit. Then I start seeing him. And feeling his touch. And falling for him. In our quest to get justice for Tracy and help her move on, Jack and I become something more than just a dead boy and a living girl. I m just waiting to see what happens next.
