United Nations. Paperback. Book Condition: new. BRAND NEW, Assessment of Development Results: Burkina Faso, United Nations Development Programme, This evaluation covers the period from 2002 to 2008. UNDP demonstrated comparative strengths in the domain of governance (support to the parliament and decentralization). Another important contribution was to develop innovative pilot activities: the success obtained through multifunctional platforms to generate power and electricity in rural areas, the development of non-timber forest products or the support to civil society initiatives to fight HIV to AIDS epidemics have served as models for a number of other interventions and have attracted significant financing.
