Orient BlackSwan, New Delhi, India, 2010. Paperback. Book Condition: New. First Edition. Children with Communication Disorders provides a simple, lucid and scientific account of the types of communication disorders that may be seen in children. Apart from serving as an introductory text on communication disorders in children, to students of speech-language pathology, it is also addressed to an audience of parents, teachers and other concerned professionals such as paediatricians, ENT specialists, developmental neurologists, psychologists and special educators. The book deals with the wide range of communication disorders that are seen in children so as to be able to recognise them, implement preventive and remedial steps where feasible, and seek appropriate professional help when needed. It will also serve as an aid to families and professionals to identify and support children with communication disorders across a range of settings including homes, schools and clinics. Printed Pages: 204. Size: 14 x 22 Cm.
