Reviews

It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: .made out according to this classification of the schools. For that reason table XXIX, which shows the growth of high school attendance by years and classes since 1909, shows this for all the high schools of the state together instead of by classes of high schools, as we should like to have it. While table XXVIII shows the growth of high schools from the standpoint of the number of high schools established, table XXIX shows the growth from the standpoint of the number of pupils enrolled in each grade from 1909 to 1916. In contemplating this rapid development in high school education from the standpoint of the number of high schools established and the increased enrolment of pupils in the various grades of these high schools, we wonder just what the course of study of these high schools, was in the beginning (1909) and what changes, if any, have taken place during this period. In order to answer these points, it will be necessary to determine several matters: 1. Whether or not the various subjects that were in the course of study in 1909 have kept pace with, the growth of the high schools. 2. Along what lines the high school course of study has made the greatest development. TABLE XXVIII STATE CLASSIFICATION OF COUNTY HIGH SCHOOLS OF TENNESSEE FROM 1909 TO 1916. The data for this table were derived from the Biennial Reports of the State Superintendent of Public Instruction of Tennessee. TABLE XXIX...
