*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Good Omens meets Office Space in this darkly humorous and suspenseful supernatural thriller by author Tim Lees. There's an art to capturing gods for electricity, and Chris Copeland is good at his job. Or at least, he was, until his insouciant partner accidentally loosed a pagan god on the world. Luckily, Chris had the good sense to smash the thing over the head with a lamp. It's dead. Or is it? Six years later, Chris is contacted by Anna Ganz, a brusque, chain-smoking Hungarian detective with a penchant for misusing American profanity. A mysterious serial killer is stalking Budapest, and, in the name of profit, Chris's company isn't going to stop it. It's up to the unlikely team of Chris and Anna to hunt down a god--but can they catch the killer before it's too late?.
