If you are looking for something new, something different, something you've never had before, or something that needs to be restored, you can find it! In this book, you will learn: how to lay it all down and make it through your storm how to prepare yourself to enter into God's presence and see Him face to face that God loves you unconditionally - it does not matter where you've been, or what you've done, God longs for a relationship with you and He desires your praise how to praise your way to victory and be an overcomer and not be defeated No matter where you've come from or where you may find yourself today, God desires your worship. There is so much power in praising our Savior and having a passionate heart to worship our King when we live a lifestyle of worship. I pray the words of this book deeply challenge you to a greater understanding of the gift of worship. Much love, Darlene Zschech J. MARK PRESSLEY is a licensed and ordained Minister.
