Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Ewell Rempel)

EL SACRIFICIO

[DOWNLOAD](#)

Ediciones Encuentro, España, 2012. Encuadernación de tapa blanda. Book Condition: Nuevo. 18x11cm. 107 pp. El sacrificio está en el origen de la cultura humana. El griego queda a oscuras, los vedas se acercan a su desvelamiento, pero sólo el cristianismo lo pone en evidencia y lo desamortiza. Y, con esta acción desmitificadora, deja también en evidencia la hipocresía de todas las nuevas formas míticas de encubrimiento de las violencias humanas, que justifican crímenes sacrificiales interminables en aras de la paz o de objetivos supuestamente humanistas. Un libro breve, pero definitivo como piedra angular del edificio girardiano, pues el sacrificio no es un tema cualquiera de la antropología o de la teología: es el tema humano por excelencia. René Girard nació en Avignon el 25 de diciembre de 1923. Es miembro de la Academia Francesa y de la American Academy of Arts and Sciences, profesor de la Universidad de Stanford (California) hasta su jubilación; Caballero de la Ordre National de la Légion d'Honneur; oficial en la «Ordre des Arts et des Lettres», Doctor Honoris Causa en Literatura, Filosofía y Teología por varias universidades, «Commandeur dans l'Ordre des Arts et des Lettres», y un sinfín de títulos y honores en distintas universidades y países.
