Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Poet to the Poor is a collection of poetry written for the bottom one percent. This work draws from historical figures and everyday people from John s life, creating a powerful poetic testimony. In revolutionary fashion John defies both the politics of the day and the modern style of poetry. The poems are written in a wide variety of styles, and rhyming is prominent. Passion and purpose abounds in these words. With over forty of the poems previously published, this work constitutes John s best, including the award winning poem Tea with Joe Hill. If you want something to inspire you to change the world, this book is a must. Take a journey into the lives of the bottom one percent. The poor.
