Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Willis Music Company, United States, 2005. Paperback. Book Condition: New. 297 x 221 mm. Language: English . Brand New Book. (Willis). Edna Mae Burnam wrote these 32 short melodies in 1975, after the runaway success of the main core of the A Dozen A Day series. The book emphasizes playing in a variety of key signatures: major pieces are paired with the relative minor. Like the rest of the series, the short pieces are patterned and remain in five-finger position. Burnam s charming hand-drawings reflect the contrast in the mood and feel of the keys.
