The Natural Principles of Landscape Gardening: Or the Adornment of Land for Petpetual Beauty (Paperback)

By Joseph Forsyth Johnson

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. The arrangement of vegetation is a matter of such moment as to require little justification in advocating its needfulness. To lovers of Nature the advantages of discussing such a subject must, in truth, be obvious; for the aim of Horticulture is to beautify the earth. Books setting forth right principles are useful to students, and, even to proficients, are not without their advantages, When the object is once brought before the thinker s attention, he must be impressed by its importance. The intention, indeed, is no other than to enhance the productiveness of the soil, and to fitly ennoble our temporary abode. To do this effectively is to develop the thinking principle itself - to further the interests of both heart and soul. The better culture of the land, taking into account the activities and energies which it is calculated to elicit, cannot be otherwise than advantageous - cannot, in fact, fail to influence for good the life of man. When the mind is suitably prepared, working with skill and method on the materials which...
