At last, the much awaited sequel to last years blockbuster hit, *A Secret Life*. Tony Hance was a good kid, two years out of high school and grappling with his future. He had a job, and while it wasnt glamorous, it paid his bills and kept him in shape. He had a loving family and great friends. The Vietnam War was finally over, and the country was more concerned with disco dancing than fighting wars. Life was good. But things sometimes change in a hurry, and one bad decision can sometimes destroy a future. Sharon was a looker who accepted Tonys advances a bit too quickly. But as the authorities closed in on him, Tony was able to slip through their grasp. It was only temporary, he knew. But it bought him enough time to disappear into the Alaskan wilderness. Mark helped Tony get away, assuming his brothers identity when boarding a jet back to Seattle, and...
