Garret Books. Paperback. Book Condition: new. BRAND NEW, Red Ice, Susie Cornfield, In the third and concluding volume of the satirical sci-fi trilogy, The Chronicles of Dekaydence, Mother Nature quits God. God quits Heaven. Clowns invade Heaven. Meanwhile, back on earth, Will, Ruby Q and Piccolo pursue their dreams but experience nightmares. They now realise what the Phoenix knew all along - it's not climate change ruining the planet so much as greedy, corrupt adults such as those working for the Company of Dekaydence, under the control of the ruthless Lord di'Abalo. There's a killer chocolate cake on the loose, and a strange drug that erases most anyone who gets in the way of progress. Times, they are a changin' and getting darker by the day. There's a lost mother to encounter; justice for a murdered father; and time to admit a secret love. And then there's Colin, a wild crazy liz'oid addicted to tomato ketchup, that makes the metal critters, the haggoids, Cromarty and Ross, look like cuddly toys.
