Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fully UPDATED for 2015 This is perhaps the most encompassing, yet easy-to-understand book on the vital and timely topic of Social Security retirement income planning. It is written by an experienced Certified Financial Planner for soon-to-be retirees who want to learn all about the different claiming strategies for couples and for single persons (whether never married, divorced or widowed). This is money that they are fully entitled to, but these folks did not follow the little-known claiming strategies described in this book. It s your money, you paid into the system your whole life - so don t miss out on getting every dollar that you can. There are many useful examples...
