WITH the great flood of new preparations which have swamped the profession in recent years, many of which are worthless or no better than many drugs and preparations we already possess, it is refreshing to come across some which are an undoubted acquisition to our means of combating the great army of diseases which the practitioner meets with in his daily round. No two cases of disease can be treated in exactly the same way and with the same drugs, as, in addition to a certain specific symptom in either case to which a certain drug may be applicable, there may be others which forbid a certain line of treatment being carried out in an individual example--e.g., a fistula in an otherwise robust patient and the same condition in a patient with advanced phthisis and pyelitis. It is perfectly...

### Reviews

*This is actually the finest pdf i have got study right up until now. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Reese Morissette II

*Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).*

-- Mr. Johnathon Dach
