All Kindergartners Can Learn To Read is bursting with proven ideas for teachers, home schooling parents, and tutors to create young readers, writers, and spellers. Whether added to a current reading program, or implemented as a complete curricula on its own, these innovative ideas and activities can enable children to become readers during their kindergarten year. The book details many powerful literary strategies for teachers from teaching the alphabet names and sounds, to reading words and sentences, to spelling and writing. Making connections, finding just right resources, assessing as a teaching moment, involvement of both the child's family and older children, and activities that parents can do at home with their child are all topics covered within the chapters. The appendix offers a suggested sequence for letter and word introduction, gives complete weekly word family spelling lists, offers foldable beginner reading books, and ties basic learning standards to the specific activities given. Independent of the amount of preparation before a child enters kindergarten, these ideas and activities will enable any child to become to become a reader during this first formal year of schooling.
