You want to make a difference in the world and live a life of impact. But what if you're working hard on all the wrong things? You've heard all the advice to slow down, be more of a "Mary" and less of a "Martha." But you don't want to slow down; it's not how you're wired. Instead, you want to live a full and busy life with purpose and meaning, a life that is balanced and joyful. A life of Impactivity, rather than simple productivity. Somehow, in all your efforts to be productive, you suspect you've gotten off track. You're experiencing stress and anxiety, or perhaps exhaustion and burnout. You feel guilty when you slow down, but guilty that you work too hard. Life's out of balance, and underneath it all is the nagging fear that nothing you're doing matters. LEARN FROM SOMEONE WITH EXPERIENCE Tracy Higley, bestselling author and successful entrepreneur, has been where you are. After decades of keeping up with publishing contracts, four kids, church ministries and grad school, all the while running a million-dollar retail business, Tracy "crashed and burned." And learned. The answer did not come from changing her fundamental personality of achiever, but by taking those strengths and fitting them into a structure that explodes productivity while staying balanced, healthy and joyful. If you are tired of the lack of balance in all areas of your life that leaves you spiritually disconnected, physically run down, emotionally discouraged or relationally distant, it's time to transform your natural productivity into something more Impactivity. IN IMPACTIVITY, YOU'LL LEARN How to identify your true calling and motivation in life, a Dream that is custom designed...
