### Reviews

*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Threshold 2020 Press, 2020. Paperback. Book Condition: New. Paperback. 274 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Space for a World of Abundance Space has been called the final frontier, the great beyond, and the endless void, but it may also be the key to a sustainable world of abundance. In *Crossing the Threshold: Advancing into Space to Benefit the Earth*, Paul Wieland presents a vision of a secure, sustainable future--with abundant energy, resources, and opportunities while ensuring a healthy environment and a high standard of living--and shows how advancing our efforts in space can help us achieve it. Written for a general audience and including personal anecdotes from the author, *Crossing the Threshold* considers the major challenges we are facing in the 21st century and poses the questions: For these challenges, what are the opportunities and benefits that space activities could provide? How could our activities in space enhance other solutions? What specific actions might be included in a space program designed to address the major challenges? There is a physical threshold, crossed as a spacecraft leaves the atmosphere for the vacuum of space, but there is also a threshold of awareness which is crossed when the entire Earth is seen against the backdrop of space, revealing the interdependence of everything on Earth. We have the power to transform the Earth, as well as ourselves, and can create a sustainable world of abundance with opportunities for everyone to live more fulfilling and secure lives, and we can become a space-faring civilization while doing so. Explore the possibilities in *Crossing the Threshold*. What people are saying: Paul Wieland knows space from the bottom-up... and offers a fresh and valuable perspective. I intended only to skim the book but became so interested I soon found myself deeply involved in reading it. -...
