In this economic environment, you must pursue your dreams. Hesitate, and you get left behind. The reality in which you live requires you to build your dreams. And having the strength and structure to be authentic are key to building. A film is created from a concept. an idea. The idea comes when walking, in the shower, over dinner, when asleep. It comes and is fragile: make note of it, or forget about it. Just like any dream: act on it, and you make it reality. Act on it, and you put it in a form that can be shared with the world. Act on it, and you are more into the world. Choose to put ideas in palpable and well-defined forms. Choose to expand personality through your creations. Choose to be open and to play. Then dreams come true. The ideas you have are you. They are your tools, clues, solutions, and snippets of strategies. Put them together to contour your vision. Forgetting creates gaps in the vision. Inspiration is...
