Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

Gryphon House,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Jump Into Science: Active Learning for Preschool Children, Rae Pica, Kathi Whelan Dery, The perfect way to turn children's love of active games into learning opportunities! Bring science to life as children learn about their bodies, animals, seasons, and the weather. The activities in each chapter are organized by level of difficulty, and each one incorporates fun, exciting science experiences with movement. Research shows that the most effective way for children to learn concepts is to experience them physically. Jump into Science offers just this kind of learning. Activities such as The Mirror Game, Dinosaur Stomp, and Water and Ice will actively engage children as they explore new science concepts!.
