Excerpt from Adamitics, an Essay on First Man s Language: Or the Easiest Way to Learn Foreign Languages, for the Use of Middle-and Highschools In the preface of Mr I. Inoue s excellent new jap.- engl. dictionary I read the following passage: For several years I have devoted every moment that I could call my own to the compilation of this work and toiled at it day and night, often until the small hours of the morning, so that its completion leaves a void in my daily routine, a feeling of bereavement and loneliness. The same feelings overcame me two years ago after having edited my german pamphlet entitled die Mnemotechnik der Zukunft (mnemonics of the future), which I design to be a linguistic testament. This small work is the fruit of twelve years indefatigable exertion. It contains not only a short treatise on how to learn very easily foreign languages, but it is at the same time a dissertation upon primitive language, the origin and unity of languages and the universal language of the future. By this small pamphlet I hoped to put the stone of the mysteries of languages (resembling the alchymists mysterious stone or philosopher s stone) and the seven golden keys of human speech, into the hands of everyone who takes an interest in the most important and most delightful of modern linguistical questions. Now I, too, feel a void in my daily tasks: naturam expellas furca! Also I feel that I might be deceived in my hope of being well understood. Besides a great many acknowledgments - high as the peaks of Mount Chimborazo - on the part of men of great...
