This book presents creativity sparking writing and sketching ideas to help young writers explore creative avenues in the writing process. By simply following the basic, #1 Rule of Writing: There are no rules! students can explore through their own imaginative and creative approaches. These activities are presented under the simple guidelines of: 1. Don t Think. 2. Don t Dwell. 3. Don t Judge. Just write. Writers, sometime, need permission (even encouragement) to fail. People need to realize that failure is not failure. Failure is part of the creative and learning process. Write, right now. is a much better approach to writing than Write right, now. How to write First of all, a brief note about the Rules of Writing: #1. There are no rules. #2. If you find a rule for writing, ignore it. #3. If the rule persists, break it. Just write. Now, for a few guidelines: 1. Don t think: Writers who are stuck, or who feel uncreative, are usually over-thinking the situation, not knowing what or how to write. Thinking is not writing. Writing...
