

Count to 100

By Armadillo Press

Paperback. Book Condition: New. Not Signed; Description:With over 50 reusable stickers. this title features exciting sticker activities that make learning about numbers an enjoyable experience. You can find the missing kittens to make 20, count three groups of pretty butterflies to make 30, put flags in the right order on a row of sandcastles, and much more. Pictures interact with simple text to help develop skills. You can play a game of snakes and ladders with your friends and learn to count at the same time! Reusable stickers mean that readers can repeat the play-and-learn experience time and time again. It is full of action photographs of children, animals and toys for youngsters to identify with. It is a themed word-and-picture book that makes early learning fun. Give your child an excellent start in mathematics with this stimulating sticker book. It is fun to look at and to use, and encourages children to recognize, sort and group numbers. Youngsters will take in the information as they locate stickers, answer simple questions and look at the kids, creatures and toys in the pictures. Readers are challenged to find the missing musical instruments to make 40, and to see how many things Lisa has put into...

Reviews

This pdf may be really worth a study, and much better than other. I could possibly comprehended every thing out of this composed e ebook. You will not sense monotony at anytime of your time (that's what catalogues are for regarding when you check with me).

-- Elza Gusikowski

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.
