God s words are alive and true. I applaud every man and woman, brother and sister, married or single who beyond all trials and tribulations stayed in the presence of God until their questions were answered and their destiny established. For I now know that a humble Spirit, God will listen to and for those whom God loves He rewards and He chastens. There is no better love than the love of YAHUAH. In the prime of His life, Yahusha took a beating and was crucified for us that one day our sins would be covered by His blood when we are presented before the Father, our God, our Lord and our King. Children, I dare you to have faith to walk on water or to speak to those mountains and command them to move. My brothers and sisters words have no power unless they are spoken, with words you can create your own future and destiny. Above all things God has given us the power and the authority over all the earth. Receive it! SHALOM.
