Happy: Simple Steps for Getting the Most Out of Life (Paperback)

By Ian K. Smith

Griffin Publishing, United States, 2011. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. Ian K. Smith, M.D., has inspired millions to lose weight - both through his effective diet books and through his outreach work with the 50 Million Pound Challenge . By counselling dieters, he s learned that achieving hard-fought goals can make a person happy for a time, but that these accomplishments don t necessarily lead to long-term happiness. In Happy , Dr. Ian has created a programme that will motivate readers to tap into behaviours and mindsets that work and last. It s not euphoria Smith is after. With his expertise he can help anyone reach their personal high-mark of positive feelings. You don t have to overhaul your life for enduring happiness; simple steps you start today can spark big and permanent change. By focusing on ideas like these, Happy gives you all the tools and exercises you need for a fulfilled and happy life: how to be optimistic; why optimism and realism are not opposites; the importance of family and community; how to get outside of yourself; why involvement leads to contentment; tapping the power of simple pleasures;...

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

-- **Dr. Alberta Schmidt V**

This book could be worthy of a read through, and a lot better than other. It can be full of knowledge and wisdom I am just happy to tell you that here is the best book we have read through inside my personal lifestyle and could be he finest pdf for ever.
