Brand New Book ***** Print on Demand *****.Fifteen-year-old Piper Crenshaw knows her house is strange. It s never needed repairs since it was built in the 1800s, and the lights flicker in response to things she says. As if those things aren t creepy enough, it s also the place where her mother committed murder. To prove she s not afraid of where she lives, Piper opens a forbidden door, which hides a staircase that leads to the ceiling. That s when the flashbacks of the original residents from 1875 start, including a love affair between two young servants. Each vision pulls Piper deeper into not only their story, but also her house. Piper confides in her best friend, Todd, whom she s gradually falling for, but even he doesn t believe her. At least, not until her house gets axed during a prank, and the act injures Piper instead, cutting a gash the size of Texas into her stomach. Piper realizes her house isn t haunted-it s alive. To sever her link to it, she must unravel the clues in the flashbacks and uncover the truth about her mother s crime, before she becomes part of her house for good.
