

From Railway Juncture to Portal of Globalization: Making Globalization Work in African and South Asian Railway Towns

Filesize: 5.82 MB

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Modesto Mante)

FROM RAILWAY JUNCTURE TO PORTAL OF GLOBALIZATION: MAKING GLOBALIZATION WORK IN AFRICAN AND SOUTH ASIAN RAILWAY TOWNS

DOWNLOAD

Leipziger Universitätsvlg Mrz 2016, 2016. Taschenbuch. Book Condition: Neu. 231x164x12 mm. Neuware - The papers collected in this issue illustrate how people have shaped global connectedness in five African and South Asian railway towns. It is not the railway and the material connections enabled by it that are at the heart of these histories, but rather how people made productive use of local conditions and the availability of the railway. At first sight, a northern English labour force in the Jamalpur locomotive workshop (India), the entrepreneurship of Otto Siedle in Durban (South Africa), cosmopolitan residential patterns in Elisabethville (present-day Lubumbashi, Democratic Republic of the Congo), the Belgian concession port in British-ruled Kigoma (Tanzania), and the self-organization of railway porters in Kapiri Mposhi (Zambia) are not the striking success stories of globalization. However, they tell us much about how globalization is produced and how processes of globalization are interlocked. Creative responses, building on locality, longevity, and long-distance connectivity, turned these places into centres of activity where at a particular time specific ways of globalization were produced. In order to understand globalization processes, we need to grasp these historically specific and distinctly local features that produce globalization. 138 pp. Englisch, Deutsch.
